General Rules

- All players are required to bat in a continuous order (no shared lineups)
- Players with a medical condition are allowed to play defensively without batting, but the team's manager must inform the opposing manager prior to the start of the game
- **Defensive players have 2-inning minimum unless injured or have courtesy runner**
- **Courtesy runner (CR) is the last RECORDED out and CANNOT STEAL**
- **Runners allowed 10' leadoff + secondary lead when the ball crosses the plate**
- CR passing halfway point between bases is automatically out, except on batted balls or wild pitches/passed balls leaving the dirt halo around home plate
- Courtesy runners are allowed to advance on a pickoff attempt of any runner
- All runners can advance on a wild pitch or passed ball that leaves the dirt halo around home plate, but can advance one-base only (including on a walk)
- **If a batter anticipates a collision at 1B, he may run past the bag in foul territory**
- Runners do NOT have to peel off on force plays, but must avoid contact
- Fielders blocking a runners path to the base is obstruction
- Fake/decoy tag by a defensive player without the ball is obstruction
- Each team is limited to 3 courtesy runners (pitcher/catcher must be designated for a CR)
- Players injured during the game will be allowed a courtesy runner
- Catchers must take a pinch runner with two (2) outs to speed up the game
- That pinch runner is allowed to steal, unless the catcher already has a courtesy runner
- If a hitter is injured during an at bat and cannot continue, that player is removed from the game; the next batter in the lineup steps into the box with the existing count
- If a player leaves a game early, skip that place in the lineup WITHOUT penalty
- **If team has 8 batters in lineup at any time, the 9th spot will be recorded as an out**
- If a player is ejected from a game, that spot in the lineup will be recorded as an out

No Slaughter Rule

- If a team is leading by 12+ runs after 5-innings, it will NOT bat in 6th & 7th
- Trailing team will take its 3 outs in the 6th, then begin the 7th with 3 new outs
- Once this rule is invoked, the team trailing cannot come back to win the game

Plays at the Plate

- Catchers are advised to move into fair territory in front of the plate
- Unless the catcher is in possession of the ball, the catcher CANNOT block the path of the runner attempting to score, and CANNOT straddle the plate

Weather

- Umpires and managers must check radar and consult before calling a rainout
- Rained out or canceled games may or may not be rescheduled
- Rain-shortened games will be considered official after three innings

3 Scenarios for a Suspended Game

- IF a team ties the score, IF a team takes the lead or IF a team has the tying run at the plate in the final incomplete inning of game stopped by the designated time limit---the game will be resumed from the same point the next time the two teams play
- The two teams will complete the inning, then begin their regularly-scheduled game on the same 2H/30 minutes game clock
- IF the two teams do not play again in the regular season, the inning will be played to its completion if started prior to 2H-30M, or the game will declared a tie

Sportsmanship/Code of Conduct

- No sign stealing
- Players that show abusive behavior (physical or verbal) toward umpires, players, managers, field or league officials are subject to suspension and/or expulsion.

PLAYOFFS

- Four game minimum to qualify for the playoffs
- The league reserves the right to allow exemptions based on injuries
